- i. **Lyrical** – is commonly (but not necessary) performed to music with lyrics and movements are inspired by lyrics to express strong emotions or a story the choreographer/performer feels from the lyrics in the chosen song.
- j. **Contemporary** – contemporary dance tends to combine the strong and controlled legwork of ballet with modern dance's stress on the torso, and also employs abstraction, contract-release, floor work, fall and recovery, and improvisation characteristic of modern dance. Unpredictable changes in rhythm, speed, and direction are often used, as well. It sometimes also incorporates elements of non-western dance cultures.
- k. **Musical Theatre** – must be performed to a piece of music from a musical and preferable (but not essential) to encompass dance style from musical. Can include live vocals, mime or simply dance.
- l. **Song & Dance** – Competitors must use good quality tracks (**NO backing vocals present**). IAC Improvisation Day

Encourage - Enthuse - Enhance

What is it? This is a fun filled day aimed at encouraging young dancers to love and showcase FREE MOVEMENT and TRUST THEMSELVES. Dancers will take part in unlimited genres of improvisation (see below for age genres) and all at one flat rate. This is for anyone who loves to dance – non solo dancers and seasoned soloists. It's about education, learning, being creative, being brave and having the knowledge that there is safety in numbers and adjudicators will offer verbal feedback throughout the day.

When is it? Sunday 5th August 2018. (4th if needed, Babies & 6/u Improvisations will occur on their solo days)

Genres & Cost?

Babies 3-4 years	Ballet / Lyrical & Jazz / JFH	\$15 each both genres
6/u	Ballet, Lyrical, Tap, Jazz / JFH	\$30 each unlimited genres
8/u	Ballet, Lyrical, Tap, Jazz, Hip Hop	\$35 each unlimited genres
10/u	Ballet, Lyrical, Tap, Jazz, Contemporary, Hip Hop	\$40 each unlimited genres
12/u, 14/u, 15+	Ballet, Lyrical, Tap, Jazz, Contemporary, Hip Hop, Prop, Thematic, Adjudicators Choice	\$45 each unlimited genres

How does it work? (Please read carefully and go through it with your dancer so they are somewhat prepared – will be explained on the day as well)

- Each dancer will be given an allocated number to wear on the day – same number for each genre
- You can choose to do 1, 2 or all genres (*you must note your genres when entering on comps on line – then you can simply register or make changes at the beginning of your age bracket on the day*)
- Dance space is on the floor with audience surrounding them on same level (except Babies & 6/u who will do theirs on the stage as same day as their solo day)
- Dancers listen to allocated music first
- Dancers dance in groups 1st, group numbers are dependant on competitor numbers and age of dancers
- Dancers will then line up in front of adjudicator & receive verbal feedback from adjudicator
- Dancers will then have an opportunity to perform in smaller groups or possibly soloists to really showcase their skills, that they listened to adjudicators feedback, trying to implement suggestions from

SAVANNAH MOBLEY
2017 JNR IAC WINNER

NOA MATSUDA
2017 SNR IAC WINNER

www.inspiredancefitness.com.au info@inspiredancefitness.com.au

adjudicator, that they have made good decisions and thought about what worked and didn't work the first time around

- NOTE: Tap improvisation dancers will dance as a soloist 2nd time around to really showcase audible rhythmic variations. Tap dancers (12years + only) could also be asked to participate in an acapella call and response circle – dancers stand in a circle, one dancer performs a short rhythm and everyone copies and you simply go around the circle till everyone has a go – be creative, think on the spot and show your musical prowess!
- Other improvisation activities could be implemented on the day for older age brackets (12years +) – ie battles
- Dancers will only receive verbal feedback throughout the day – NO individual written reports.

Attire?

Ballet – Plain leotard, ballet stockings, ballet shoes, hair in bun with hair accessory if desired

Jazz, Tap, Lyrical, Contemporary, Prop, Thematic & Adjudicators Choice– Plain leotard, crop top and dance shorts or tights, stockings optional, hair accessory if desired – shoes to suit. Hair as desired.

Hip Hop – plain leotard, crop top or fitted top, plain dance shorts or baggy pants, shoes to suit. Hair as desired.

Plain – can be coloured, can have lace inserts, NOT PATTERNED, nothing that would be worn or deemed as a costume

Please NOTE that there will not be time to change between all sections so please make it simple. The only major change that will occur is between ballet and regular attire. I would suggest same / similar attire for all besides your number needs to remain on.

All dancers will be given a number to be worn for all of their improvisations – it is the dancer's responsibility to ensure they are pinned on so visible at all times (please bring safety pins).

Prizes?

Yes, this is a competition but it is aimed at also being a great learning opportunity and to encourage more young dancers to be brave enough to tackle and experience IMPROVISATIONS.

There will be NO individual written reports – dancers will receive verbal feedback then and there from the adjudicator

Specially catered IAC Improvisation Awards can include – Most Creative, Best Technical Style, Best Performer, Most Improved between 1st and 2nd performance, Best Musicality, Encouragement, Best Overall Improviser
